Contact

Email: ishii.kuntz.masako@ocha.ac.jp / TEL: 03-5978-5794 / FAX: 03-5978-5794

Major

Family Sociology, Gender Studies, Social Psychology, Statistics

■ Research topics

Father's and Mother's Parenting in IT Society

Keywords

IT Society, Fathers, Mothers, Parenting, Work-Life-Balance

Contents

Using sociological approach, my research examines the extent of Japanese fathers' and mothers' IT use (personal computers, cellular phones, tablets etc.) in parenting. (Please see the SPSS Project URL above for details.)

Potential of social/industrial contribution

■ Joint research/ licensing / technical consulting / knowledge sharing (open courses, workshops, publications)

The results of my research will be useful in developing IT equipment and applications that would be attractive for Japanese families.
